

Jesus called His first disciples one by one to follow Him. Each of us is called by name to renew our lives in Jesus Christ. We journey as a community of faith, one by one, to eagerly discover, follow, worship and share Jesus with all those we meet along our way. So today, there is a question before us:

How can we better lead all people to the Kingdom of God?

The *one by One* campaign answers this question by strengthening our parishes, transforming our schools and faith formation programs, expanding our charitable outreach, providing for our clergy and creating dedicated communities of missionary disciples. Over the course of this campaign, we will raise funds to enhance the programs and facilities needed to support our mission at the Diocesan and local parish levels. In the parish campaigns 50% of funds will support the local parish needs and 50% will be used for Diocese initiatives. Through this campaign, we will inspire hearts to positively transform our communities.

Jesus commissioned the disciples to go into the world to preach the Good News to all nations and cultures until our blessed Lord returns in glory. That responsibility is now ours.

We are called one by one to a life of missionary discipleship to share our faith with those who need to hear and see it most. As disciples in the 21st Century, we are called to be Jesus' witnesses, transformed by Him, encouraging the hearts of others.

Our sixteen-county Diocese is richly blessed by parishes, schools, programs of faith formation and ministries provided to us through the sacrifices of previous generations. Yet, living in a world where we are challenged to renew our life in Christ, we must see and respond to the world as it truly is. As a community of missionary disciples, we are called to care not only for that which was given to us, but to reimagine and respond to the challenges we face today and tomorrow.

Our Campaign Priorities

Across our Diocese, funds raised through the *one by One* campaign will strengthen our vibrant parishes, enhance Catholic education in all forms, broaden charitable and living justice programs, provide for those who serve, create a community that leads others to Jesus and provide for technology and communication upgrades. The campaign will empower each of us to transform our communities as missionary disciples – as we share the healing, teaching and loving presence of Jesus where we live, work and pray.

Modernizing and Improving Technology and Communication Strategies

Enabling the Diocese to more effectively spread the Good News.

Goal: \$3,000,000

"It is right to rejoice in these advances and to be excited by the immense possibilities which they continue to open up before us, for science and technology are wonderful products of a God-given human creativity."

Pope Francis, Laudato Si

As we spread the joy of the Gospel message throughout Northeast Wisconsin, we must instill the teachings of Christ into every aspect of daily life. The message of the Gospel is eternal; however, the methods used by the Diocese of Green Bay to effectively communicate that message, leading all to salvation, is rapidly changing. Therefore, we must make necessary upgrades to our informational technology. These upgrades will include:

- Strengthening our ability to communicate and share best practices in program development
- Ensuring the security of diocesan data in an increasingly complex world
- Analyzing and understanding the impact of community programs
